

KSCA Annual Leadership Conference

March 3-5, 2010

2010 Facilitators Application

Workshops and Interest Sessions

If you are interested in being involved with the Kentucky School Counselor Association Leadership Conference, PLEASE consider being a facilitator for one of the workshops and/or breakout sessions! You would be responsible for greeting the participants as they come in, introducing the presenter (if the presenter asks) and passing out any handouts. It is a "STRESS-FREE" job and an opportunity for you to support KSCA in our endeavors to make the conference successful!

Please contact Carol Lewis at [Carol.Lewis@insightbb.com](mailto:Carol.Lewis@insightbb.com) for a form or send the form below to:
